Dear Government Partner:

The Florida Department of Transportation (FDOT), District One, invites you to attend a public hearing to learn about the proposed intersection improvement project on US 17 from south of Spirit Lake Road to north of Spirit Lake Road in Polk County, Florida. The purpose of this project is to reconstruct the existing asphalt pavement with rigid concrete pavement within the limits of US 17 at the Spirit Lake Road intersection. The scope also includes closing an existing median opening, resurfacing, adding sidewalk to connect the Bartow Municipal Airport entrance with Bomber Road, transit pads, new signalization at Spirit Lake Road, signing and pavement marking upgrades and intersection lighting.

The public hearing will be held on Tuesday, November 17, 2020, and will consist of a hybrid format with combined face-to-face and virtual components. The public is invited to participate in the hearing virtually, at <https://register.gotowebinar.com/register/8664248794013633808>, or visit the public viewing location at the Polk County Sheriff's Office Burnham-McCall Training Center, 2201 Old Bartow Eagle Lake Road, Bartow, FL, 33830. An open house will begin at 5:30 p.m., where attendees may review project displays and speak with project team members. The formal portion of the hearing will begin at 6 p.m. and will include an opportunity for attendees to make public comments. Following the formal portion of the hearing, the informal open house will resume and continue until 7 p.m.

A court reporter will be available to receive comments in a one-on-one setting before and after the formal portion of the hearing. You may submit written comments at the hearing or send your written comments to Alex Carlson, E.I., FDOT District One, 801 N.
