Virtual Public Workshop Begins December 1st

The Florida Department of Transportation (FDOT) is conducting a Project Development and Environment (PD&E) Study for US 17/92 (Hinson Avenue) from South 1st Street to 17th Street in Haines City. The goal of this project is to improve capacity along US 17/92 within downtown Haines City, enhance safety conditions, enhance mobility options (pedestrian, bicycle and transit), and to improve local transportation network connectivity.

The **Virtual Public Workshop** will extend from **December 1, 2020 through December 22, 2020**. You may participate in the workshop at any time during the 21 day period. If you are unable to view the materials online, printed packets containing workshop materials will be available at the Haines City Public Library located at 111 N. 6th Street, Haines City, FL 33844 and Lake Eva Community Center located at 555 Ledwith Avenue Haines City, FL 33844 during regular business hours. Workshop materials will include maps, drawings, and other information describing the project.
