

Saint Ann School Sidewalk Improvements Safe Routes to School Initiative

Collier County

Financial Project ID: 433181-1-52-01

June 2017

The Florida Department of Transportation's contractor, L-J Construction Company, begins work to construct sidewalk at various locations near and around the Saint Ann School, as part of the Safe Routes to School Initiative (see orange areas on map below). The majority of the work will be done during daytime hours Monday through Friday and lane closures may occur. Motorists should be aware of heavy machinery and large trucks entering and exiting the roadway. Please use caution and plan extra travel time while driving in this area.

Fast Facts

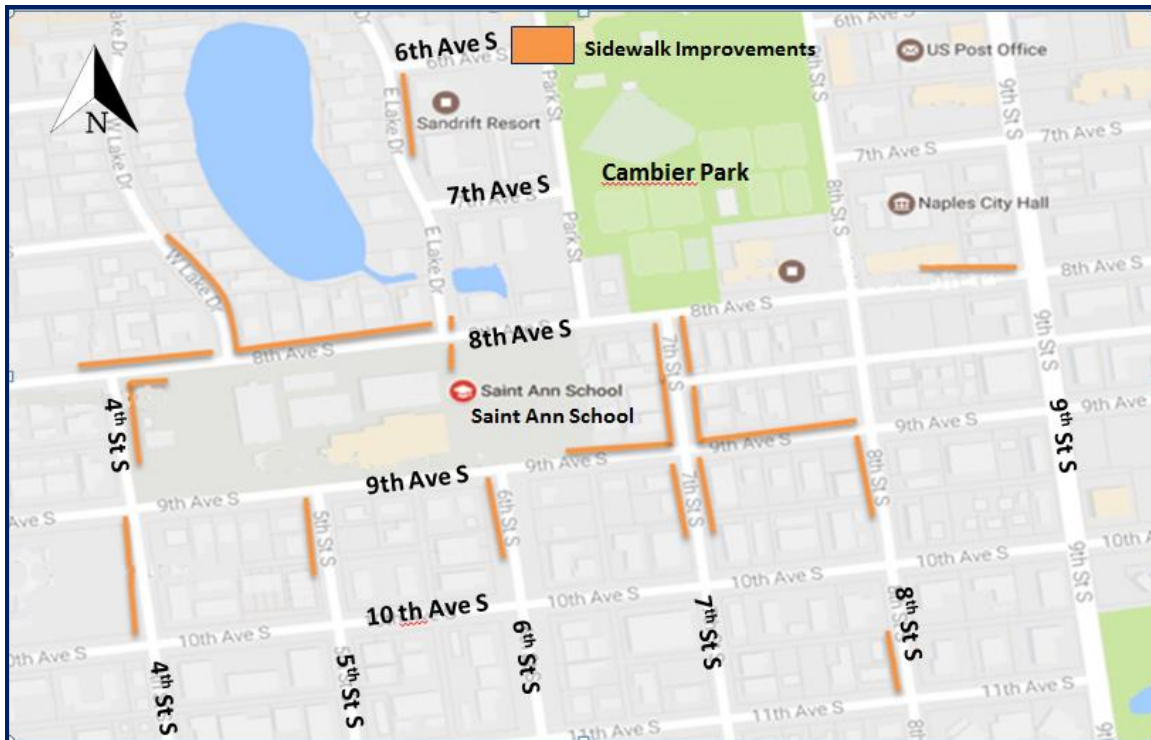

Construction Start Date:
Mid summer 2017
