## **RoadWatch Advisory**

### **Wide Load Restrictions on SR 60 east of CR 630**

#### **POLK COUNTY**

**SR 60 from CR 630 to Osceola County line:** Construction project: State Road 60 traffic shifts onto temporary pavement at Ice Cream Slough, approximately 2 miles east of CR 630, while crews continue construction of a new box culvert. The temporary lanes will not accommodate anything over the wide load limit of eight-feet, six-inches (8'6"). Wide load haulers must seek alternate routes. Temporary lanes will remain in use for approximately 6-8 weeks until box culvert construction is complete.

Work on this project includes resurfacing the roadway, widening roadway entrances at Grape Hammock Road and River Ranch Boulevard for right turning vehicles, replacing the roadway bridge at Ice Cream Slough with a box culvert, replacing guardrail, retrofitting bridge railings, improving roadway drainage. The expected completion date is spring 2017. The contractor is Ranger Construction Industries, Inc.
