

# US 41/SR 90

## Resurfacing Project from Mosquito Canal to SR 29

Collier County

**Financial Project ID: 431422-1-52-01**

**June 2015**

On June 15th, The Florida Department of Transportation's contractor, General Asphalt Company Inc., starts a resurfacing project on US 41 from Mosquito Canal to SR 29. This 10.6 mile project includes some shoulder widening and guardrail replacements at all the bridges.

Motorists should expect intermittent lane closures from the Mosquito Canal to SR 29 through the duration of the project. Variable message signs will

be in place to alert drivers that work is underway. Motorists should expect slow moving traffic and some delays during construction. Please be aware of heavy machinery and large trucks entering and exiting the roadway.

After completing shoulder and guardrail work, crews will place new sod and stripe the roadway. Estimated project completion is spring 2016. Project cost is \$5.6 million.

***Please stay alert and drive with caution.***
