**About**

The Florida Department of Transportation (FDOT), District One, is conducting a Feasibility Study to determine the viability of grade separating US 441/Parrott Avenue over CSX railroad tracks between NE 4th Street and NE 13th Street in the City of Okeechobee.

The following goals and objectives have been identified for this study:

- Eliminate highway-rail conflicts at the railroad crossing
- Improve freight mobility within the region
- Enhance multimodal mobility and safety for pedestrians, bicyclists, motorists, and transit users
