About
The Florida Department of Transportation expects to begin work milling and resurfacing SR 66 from US 17 (SR 35) to Charlie Creek on August 15, 2024. The project limits encompass approximately 7.8 miles and crews will also install drainage pipes and structures, guardrail, sidewalks, new signage, curb and gutter, pavement markings and other safety improvements. The project will be completed in phases, with one of the phases encompassing a closure of westbound SR 66 from Merle Langford Road to US 17 for several months.
