| Road | I-75 US 301 |
| Construction Cost | \$145 million |
| Estimated Completion | Early 2025 |

About

The Florida Department of Transportation (FDOT) is reconstructing the interchange at I-75 and US 301. The proposed improvements include reconfiguring the existing interchange as well as enhancements to three intersections along US 301: 51st Avenue East, 60th Avenue East, and 19th Street East, and adding auxiliary lanes from SR 64 to the new ramps.
