<b>Limits</b>	I-75 widening from north of SR 64 to Manatee River, reconstruction of the I-75/US 301 Interchange, and US 301 improvements from west of 51st Ave E to East of 60th Ave E.
<b>Project Start</b>	Late 2021
<b>County</b>	Manatee
<b>Road</b>	I-75 US 301
<b>Construction Cost</b>	\$145 million
<b>Estimated Completion</b>	Early 2025

**About**

The Florida Department of Transportation (FDOT) is reconstructing the interchange at I-75 and US 301. The proposed improvements include reconfiguring the existing interchange as well as enhancements to three intersections along US 301: 51st Avenue East, 60th Avenue East, and 19th Street East, and adding auxiliary lanes from SR 64 to the new ramps.
