

Financial Project ID: 435830-1

January 2025  
Hardee County, FL

## CONSTRUCTION PROJECT

The Florida Department of Transportation (FDOT) will begin the removal and replacement of Bridge #060034 on CR 664 over Little Payne Creek starting in early January 2025. The project limits cover approximately 0.114 miles. In addition to bridge replacement, crews will perform shoulder treatment, install curb and gutter systems, upgrade guardrails, and apply new signing and pavement markings. The estimated project cost is \$2.7 million. Detours are in place for local traffic and commercial truck traffic.

## PROJECT IMPROVEMENTS

- Bridge removal and replacement
- Signage and pavement markings
- Shoulder treatment, curb and gutter
- Guardrail replacement

## PROJECT SCHEDULE

- Construction begins early January 2025; estimated completion is fall 2025
- During the removal and replacement of bridge, a detour will redirect traffic
- For more information, see the detour map on the back of this page

## FOLLOW US

**DETOUR ROUTES**  
**LOCAL TRAFFIC DETOUR**

**COMMERCIAL TRUCK TRAFFIC DETOUR**

During the removal and replacement of Bridge No. 060034, local traffic will use Doc Coil Road and County Road (CR) 664 in both directions as designated detour routes. Commercial truck traffic will be redirected via State Road (SR) 62, College Hill Road, and County Road (CR) 664 to bypass the construction area.
