

Pine Island Road (CR 78)

Shared Use Path Feasibility Study

Lee County

Financial Project Identification Number: 436926-1

April 2024

Public Workshop Scheduled

The Florida Department of Transportation (FDOT) invites you to a Public Workshop for the Pine Island Road Shared Use Path Feasibility Study from Stringfellow Road to Veterans Memorial Parkway.

This study will evaluate the feasibility of connecting the shared use path network and providing a connection between Pine Island, Matlacha, and Cape Coral. In addition, this project will evaluate potential “Complete Streets” elements to help provide a safe and viable travel option for all users. The Public Workshop is being conducted to present the preliminary concepts and provide the opportunity for the public to express their views about the project.

You can participate in two ways: live online or in-person. The same materials will be displayed at both the online and in-person events.

FDOT solicits public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Cynthia Sykes, District One Title VI Coordinator, at (863) 519-2287, or email at Cynthia.Sykes@dot.state.fl.us or at least seven days prior to the workshop. You may also contact Jimmy P. Vilce, P.E., C.P.M. at (863) 519-2293 or Jimmy.Vilce@dot.state.fl.us.
