

# ROADWAY IMPROVEMENTS

Bayshore Road (S.R. 78) from Evalena Lane to New Post Road

Lee County

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT), District One, will be making roadway improvements on Bayshore Road (S.R. 78) from Evalena Lane to New Post Road in North Fort Myers, Lee County. This project is intended to provide access management improvements along S.R. 78 with the intent of enhancing traffic flow and reducing crashes. The project includes converting the existing two-way left-turn lanes along S.R. 78 to full median and directional turn lanes. Additional elements include drainage improvements, installation of new signage, and pavement markings.

## WHAT TO EXPECT

During construction, motorists should expect intermittent nighttime/overnight lane closures. Motorists are asked to exercise caution and reduce their speed while driving through the work zone. The construction schedule may change due to weather or other unexpected conditions. For the most current project details, visit the SWFL Roads project website at:
