March 2024

CONSTRUCTION PROJECT

The Florida Department of Transportation will begin work in late March on two projects along SR 15/ US 441/SR 700/Parrott Avenue in Okeechobee County. Project improvements consist of milling and resurfacing, base work, drainage improvements, curb and gutters, sidewalk, signing and pavement markings, and other incidental construction activities in the approximately .5-mile project area. Drainage improvements consist of shoulder and ditch regrading, slope improvements, drainage pipe installation, and stormwater pond creation.

PROJECT IMPROVEMENTS

- Creation of stormwater pond (see map on reverse side for location detail)
- Road and drainage improvements to include installation of drainage pipes and erosion control devices
- Milling, resurfacing, base work and pavement markings
- Curb, gutter and sidewalk construction
- Project cost: 439032-1/\$2.9 million
449176-1/\$1 million

PROJECT SCHEDULE

- Construction begins late March 2024
- During construction, shoulder and lane closures on SR 15/US 441/SR 700/Parrott Avenue are expected to occur during daytime/nighttime hours
- Be aware of changing traffic patterns, heavy equipment and workers during construction
- Estimated completion date is late 2024
