

# FLORIDA DEPARTMENT OF TRANSPORTATION US 41 BUSINESS (9th STREET WEST) FROM 6th AVENUE WEST TO MANATEE AVENUE WEST

Financial Project ID: 444807-3

December 6, 2024  
Manatee County, FL

## CONSTRUCTION PROJECT

The Florida Department of Transportation (FDOT) will begin improvements to US 41 Business (9th Street West) from 6th Avenue West to Manatee Avenue West in Manatee County on December 16, 2024. The improvements consist of milling and resurfacing, drainage upgrades, modified left turn lanes, signalization, lighting, and signing and pavement markings. Single-lane closures will occur throughout the project through completion. The project limits cover approximately 0.07 miles and the estimated project cost is \$1.3 million.

## PROJECT IMPROVEMENTS

- Milling and resurfacing
- Signalization and lighting
- Drainage upgrades
- Signing and pavement markings

## PROJECT SCHEDULE

- Project begins December 16, 2024; estimated completion is mid-2025
- Be aware of changing traffic patterns with single-lane closures after 7 p.m.
- Follow posted speed limits during construction
