

SR 776 Safety Improvements

February 2025

WELCOME TO THE PUBLIC MEETING

The Florida Department of Transportation (FDOT), District One, welcomes you to the Public Meeting for the State Road (SR) 776 Safety Improvements project. FDOT is hosting this Public Meeting to provide you with the opportunity to express your views about the proposed improvements. Scan the QR code to visit the project website for additional details.

PROJECT OVERVIEW

FDOT, District One, is proposing improvements at several intersections along SR 776 in Charlotte County. The purpose of the improvements is to improve safety, enhance traffic flow, and reduce crashes. The proposed improvements include converting existing full median openings to two-way directional median openings at seven (7) intersections along the corridor: Oceanspray Boulevard, Sea Mist Drive/Shalimar Street, David Boulevard, Hollis Avenue, Cornelius Boulevard, Biscayne Drive, and Collingswood Boulevard. Potential median modifications are also being considered at three (3) additional intersections: Mayport Street/Biggs Street, Roberta Drive/Regina Drive, and at the Port Charlotte Town Center west entrance.

This meeting is being held to present project information and provide an opportunity for the public to offer feedback. FDOT will accept written comments during and after the meeting. Please submit your comments by February 24, 2025, to be included in the formal public meeting record.

CONTACT US

If you have questions or comments regarding the project, please contact FDOT Project Manager, Jeremy Stucker.
