

FINAL PUBLIC INVOLVEMENT PLAN

**Project Development and Environment (PD&E) Study for
Old Dixie Trail from Auburndale to Haines City**

Project Limits: From Auburndale to Haines City, Polk County, Florida.

Financial Project ID Number: 435391-1-22-01

Federal-Aid Project Number: D117 054 B

Efficient Transportation Decision Making (ETDM) Number: 14328

In accordance with Part 1, Chapter 11 of the Project Development and Environment (PD&E) Manual, this Public Involvement Plan is submitted to the manager of the District office in charge of PD&E studies as appropriate based on District organizational structure for his/her review and approval.

Submitted by: Michelle Rutishauser
Michelle Rutishauser, Project Manager HNTB Corporation

Date: July 2, 2020

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated December 14, 2016, and executed by FHWA and FDOT.

Approved by: Steven Andrews
Steven Andrews, Project Manager FDOT – District 1

Date: July 2, 2020

PUBLIC INVOLVEMENT PLAN
Project Development and Environment
(PD&E) Study
Old Dixie Trail
From Auburndale to Haines City
Polk County, Florida

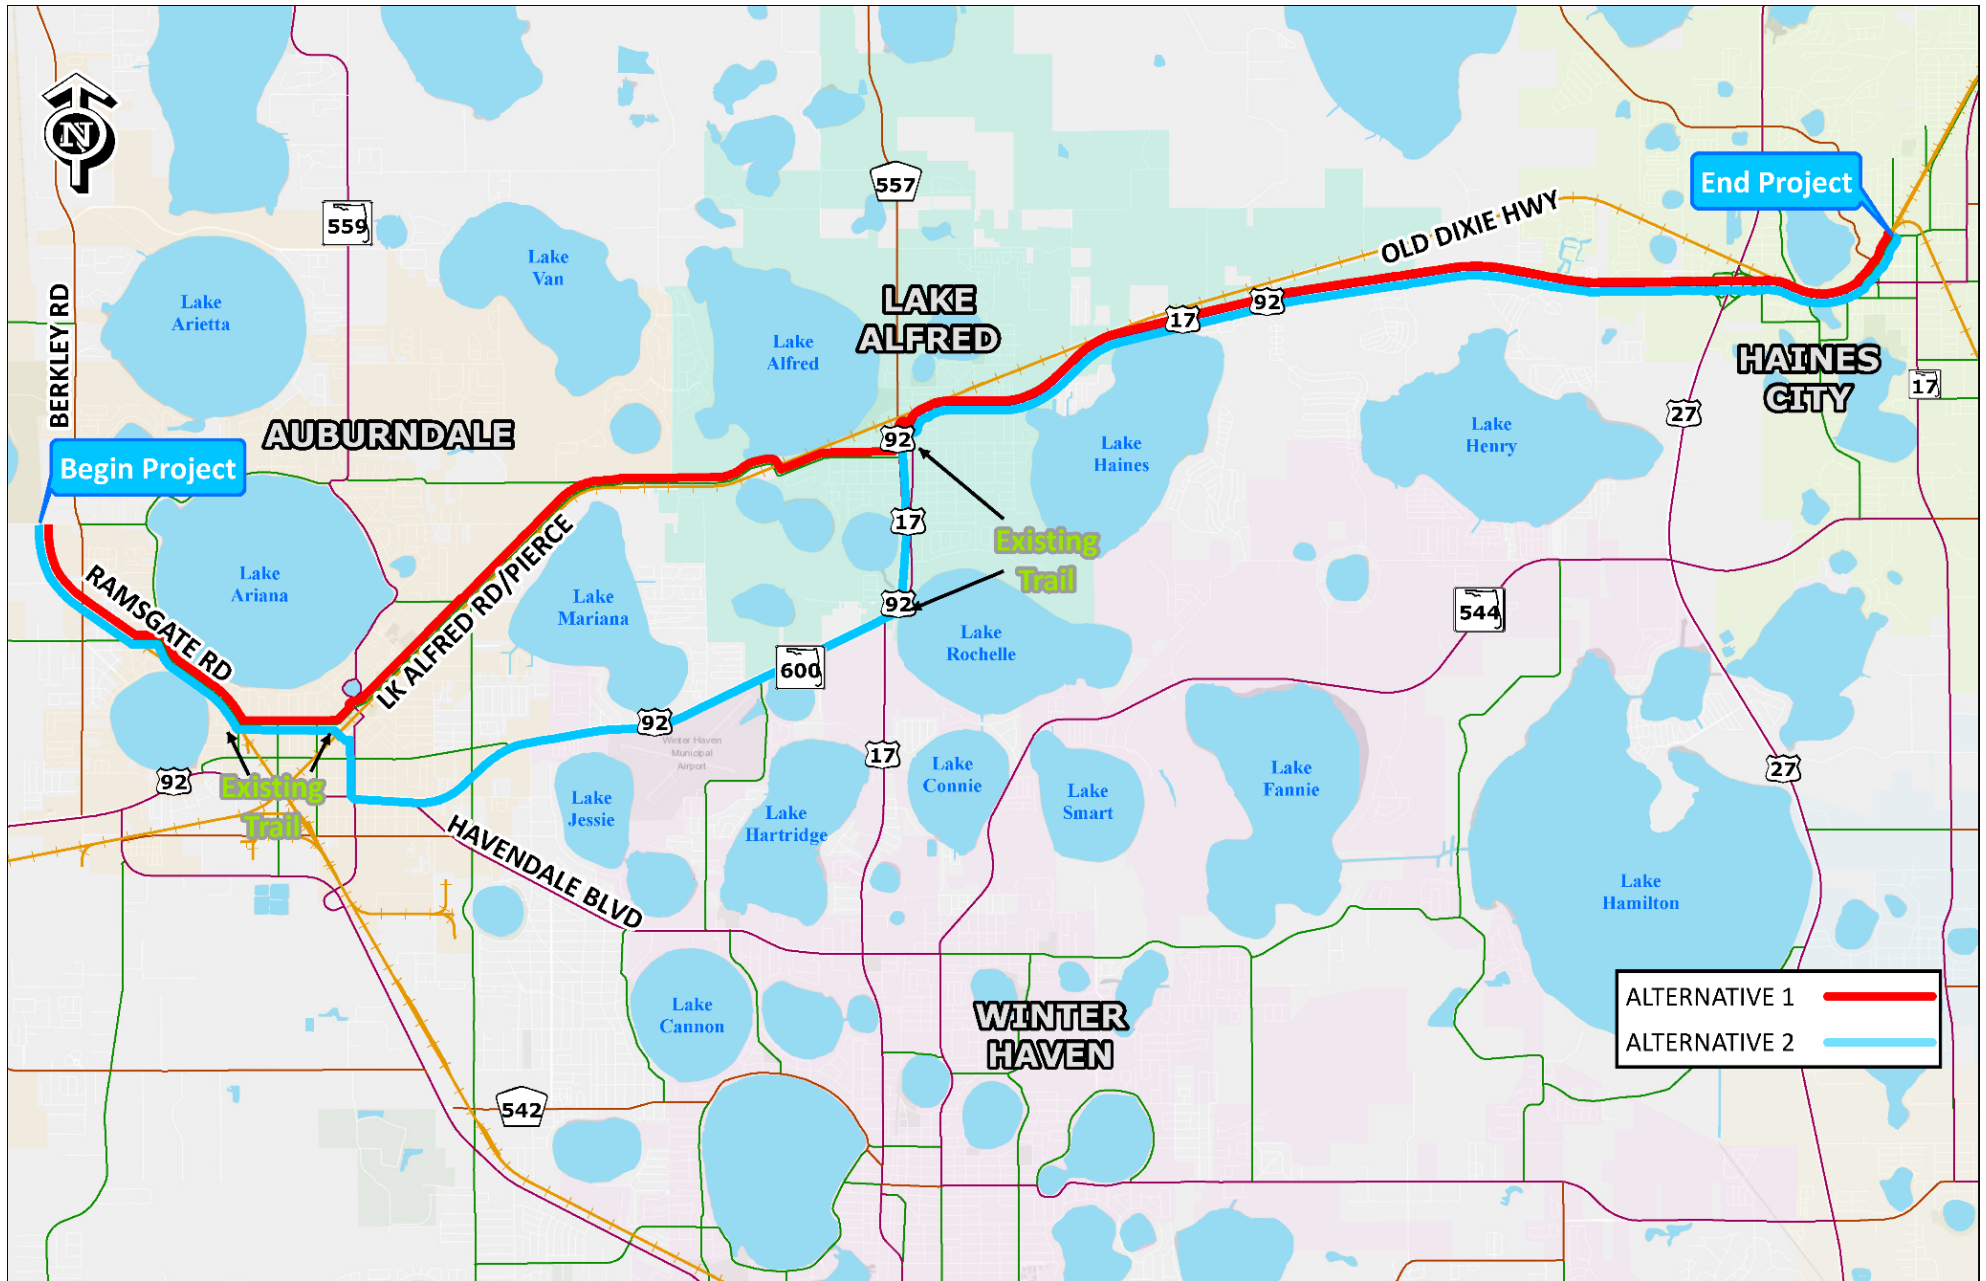

The purpose of this Public Involvement Plan (PIP) is to assist in disseminating information about the Project Development and Environment (PD&E) Study for the Old Dixie Trail and to obtain input from concerned and interested citizens, agencies, private groups (residential/business), non-governmental organizations and governmental entities. The overall goal of this plan is to help ensure that the study reflects the values and needs of the communities it is designed to benefit. A schedule of events and list of documentation exhibiting compliance with these procedures are included in the project file.

This plan is in compliance with the Florida Department of Transportation's (FDOT) *Project Development and Environmental (PD&E) Manual*, Part 1, Chapter 11.

II. PROJECT BACKGROUND

In April 2016, the Polk Transportation Planning Organization (TPO) adopted a resolution to support the Nature Coast to Peace River Greenway Trail Corridor between Bartow and Tallahassee. With this resolution, the TPO requested the Florida Department of Environmental Protection’s Greenway and Trails Council to consider the Trail Corridor as a high priority for future SUN Trail funding. The Old Dixie Trail is the segment that would connect the trailheads of Auburndale-TECO Trail and Haines City Trail, for a distance of approximately 12 miles. The Old Dixie Trail Project Development and Environment Study (PD&E) is intended to assist FDOT to determine the location and conceptual design of the Old Dixie Trail (ODT). The Old Dixie Trail PD&E is intended to provide regional connectivity that will offer recreational and economic development benefits. The ODT also offers connections to the Lake Alfred Trail and Chain of Lakes Trail, as well as other planned future trails. Figure 1 outlines the project location and proposed alternatives.

Public involvement activities previously occurred during the ODT Feasibility Study, as listed in Figure 2 - The Old Dixie Trail Feasibility Study Public Outreach Activity Schedule. During the Feasibility Study, some individuals requested to receive email updates regarding the project during the PD&E phase. Their contact information is included in Appendix A. Stakeholder interviews and follow up from public meetings took place in 2017. Comments and information from these discussions are included in Appendix B, Feasibility Study Comments and Correspondence. Additionally, in July 2019, meetings took place with representatives from the cities of Auburndale, Lake Alfred, Winter Haven and Haines City, as well as Polk County and the Polk Transportation Planning Organization (TPO) to consider the six trail alternatives. Using feedback from these meetings, two of the six alternatives were selected for further analysis.

III. PROJECT GOALS

The purpose of the project is to address an existing gap in the regional trail network between the communities of Auburndale and Haines City in Polk County, Florida. Other goals of the project are to 1) provide a safe, viable, nonmotorized travel option for commuters and recreational trail users to access area destinations and 2) support quality of life and economic objectives of the surrounding area.

The study is divided into two phases:

- Phase 1 – Feasibility
 - Collect and analyze existing conditions data
 - Examine engineering factors (safety, right-of-way, etc.) and environmental factors (natural and human built environment)
 - Identify opportunities and physical constraints
 - Conduct stakeholder interviews to understand community goals and needs
 - Analyze trail segments
- Phase 2 – Project Development & Environment (PD&E) Study
 - Identify and define alternatives that meet and/or address the study goals and objectives
 - Conduct environmental analyses required under NEPA
 - Conduct stakeholder interviews to understand community goals and needs

This Public Involvement Plan (PIP) is intended to address those activities associated with the study. Addendums to this PIP will be included as necessary. The general study area encompasses Auburndale to Haines City, including Lake Alfred and Winter Haven.

IV. IDENTIFICATION OF ELECTED OFFICIALS AND AGENCIES

The following local, regional, state, or federal agencies having a concern in this project due to jurisdictional review or expressed interest have been identified and will be contacted directly by the Florida Department of Transportation (FDOT) through the Advance Notification (AN) process at the outset of the project in accordance with the PD&E Manual, Part 1, Chapter 3, Preliminary Environmental Discussion and Advance Notification. As other concerned public agencies are identified throughout the study, they also will be listed and contacted.

State

- Florida Department of Environmental Protection, Office of Intergovernmental Programs
- Florida Department of Environmental Protection, Florida State Clearinghouse Coordinator
- Florida Department of Environmental Protection, Division of State Lands, Bureau of Submerged Lands and Preserves
- Florida Department of Environmental Protection, Regulatory Programs and Energy
- Florida Department of Environmental Protection, Division of Recreation and Parks
- Florida Department of State, Bureau of Historic Preservation, Bureau Chief
- Florida Fish and Wildlife Conservation Commission, Office of Environmental Services
- Florida Department of Transportation – Central Environmental Management/Planning Office Manager
- Florida Department of Transportation – District 1, Secretary
- Florida Department of Transportation – District 1, Project Manager (ETDM Coordinator)
- Florida Department of Transportation – District 1, Public Information Office
- Florida Department of Transportation – District 1, Community Liaison
- Florida Department of Transportation – District 1, District Environmental Manager
- Florida Department of Transportation – District 1, Intermodal Systems Development Manager
- Florida Department of Transportation – District 1, Director of Transportation Development
- Department of Agriculture and Consumer Services – Division of Forestry
- Florida Highway Patrol - Troop C, Troop Commander

Federal

- Federal Highway Administration, Division Administrator
- Federal Transit Administration, Division Administrator
- Federal Emergency Management Agency, Regional Director
- Federal Emergency Management Agency, Mitigation Division Chief
- Federal Railroad Administration – Office of Railroad Development, Environmental and Systems Planning
- Federal Railroad Administration – Office of Policy, Director
- Federal Aviation Administration – Airports District Office, Manager
- U.S. Army Corps of Engineers – Regulatory Branch, District Engineer
- U.S. Army Corps of Engineers – Branch Chief
- U.S. Coast Guard – Commander – Seventh District
- U.S. Department of Agriculture – Southern Region
- U.S. Department of Commerce – National Marine Fisheries, Habitat Conservation Division
- U.S. Department of Commerce – National Marine Fisheries, Southeast Regional Office, NEPA Coordinator
- U.S. Department of Commerce – National Oceanic and Atmospheric Administration, Southeast Regional Office
- U.S. Department of Health and Human Services – Centers for Disease Control and Prevention, National Center for Environmental Health, Office Director
- U.S. Department of Housing and Urban Development, Regional Environmental Officer
- U.S. Department of the Interior – U.S. Fish and Wildlife Service, Regional Director
- U.S. Department of the Interior – Bureau of Land Management, Eastern States Office, State Director
- U.S. Department of the Interior – U.S. Geological Survey, Deputy Eastern Regional Director
- U.S. Department of the Interior – U.S. Geological Survey, Office of Regional Service, Chief
- U.S. Department of Interior – Bureau of Indian Affairs, Office of Trust Responsibilities – Environmental Services Staff, Chief
- U.S. Department of Interior – National Park Service, Southeast Regional Director
- U.S. Department of Environmental Protection Agency – Region IV, Regional Administrator
- U.S. Department of Environmental Protection Agency – Office of Regional Counsel
- U.S. Department of Agriculture – Natural Resource Conservation Service
- U.S. Forest Service

Regional

- Southwest Florida Water Management District
- Central Florida Regional Planning Council

Native American Tribes

- Seminole Tribe of Florida

Local

- Polk County
- Polk Transportation Planning Organization
- City of Auburndale
- City of Lake Alfred
- City of Winter Haven

- City of Haines City

Table 1 outlines the elected officials that will be contacted by the FDOT. Appendix A contains the Initial Contact and Mailing Lists, and updates will be noted in the Comments and Coordination report.

Jack Dearmin	Commissioner 5, Vice Mayor
Amee Bailey	Community Development
Charles Lake	Commissioner 4
Richard Weed	Parks and Recreation Manager
John Deaton	Public Works Director
Mike Davis	Roads and Streets Superintendent
Nancy Daley	Mayor/Commissioner 3

City of Winter Haven	Title/Department
L. Tracy Mercer	Commissioner 1
Brian Yates	Commissioner 3
Bradley Dantzler	Mayor/Commissioner 4
Donna Sheehan	Communications-Marketing/Public Information
Charlie Bird	Fire Chief
MJ Carnevale	Public Works Director
Mike Herr	City Manager
Nathaniel Birdsong, Jr	Mayor Pro-Tem/Commission 2
James Powell	Commission 5
Travis Edwards	Parks, Recreation & Culture Department Director
Sean Byers, AICP	Planning Manager
Eric Labbe, AICP	Economic Opportunity and Community Investment Director
Charlie Bird	Police Chief
Vanessa Castillo	City Clerk
Amin Hanhan	City Engineer
Gary Hubbard	Utility Services Director

V. IDENTIFICATION OF AFFECTED COMMUNITIES

This project traverses through the Polk County, and the cities of Auburndale, Lake Alfred, Winter Haven, and Haines City. A map of the communities in relation to the project limits is provided on Page 2. The demographics of the study area was obtained through the Environmental Protection Agency's Environmental Justice Screening tool which uses US Census data. A copy of the generated report is attached to this PIP as Appendix D, Environmental Justice Screening Report. Based on the demographics of the study area, the population is mostly white, with approximately 23% minority population, with 6% Black and 16% Hispanic. Therefore, the meeting notifications will be created in both English and Spanish.

The following local, state, and national public interest groups or organizations having a direct or expressed interest in the project study have been identified and will be contacted by the Florida Department of Transportation:

- 1000 Friends of Florida
- Audubon of Florida, Executive Director
- CSX Transportation
- Defenders of Wildlife, Florida Program Director
- Rails-to-Trails Conservancy, Florida Director
- Sierra Club, Florida Regional Office
- The Nature Conservancy, Florida Chapter
- Lake Eva Community park
- Willowbrook Golf Course
- Polk Area Bicycle Association
- Bike Florida, Inc.
- Florida Bicycle Association
- Florida Trail Association - Heartland Chapter
- Ridge Riders Mountain Bike Association
- The Bike Shop
- Four Lakes Golf Club
- Friends of the Park Foundation
- Lake Henry Estates (Sweetwater East Investment Community)
- Sweetwater
- Swiss Golf & Tennis Club
- Winter Haven Airport
- UF Citrus Research and Education Center
- The Puerto Rican/Hispanic Chamber of Commerce of Polk County

VI. OUTREACH ACTIVITIES

The following techniques and outlets will be contacted to notify the public of the proposed transportation improvement and to solicit public input into the project development process.

Florida Administrative Register

Tampa, Florida 33607
(813) 354-2828

In addition to working with the media, a number of different notification techniques will be used throughout the project development process. A brief description of these techniques is provided below. Please see Figure 3 for and outline of the Old Dixie Trail PD&E Study Public Outreach Activity Schedule.

Letters/Newsletters: Invitational and informational letters and newsletters will be distributed to elected and appointed officials, property owners/tenants, business owners/operators, and interested parties as feasible, after Notice to Proceed, prior to the workshop, prior to the public hearing and after Location and Design Concept Acceptance (LDCA). Notices will be hand delivered to residences and business located directly on the two project corridors as deemed necessary by the FDOT.

News/Press Releases: News/press releases will be submitted to the FDOT seven days prior to each public meeting and the public hearing.

Public Notices/Display Ads: Public advertisement will consist of a display advertisement published once in the area newspaper with the largest circulation prior to the public meeting, twice to announce the public hearing, and once to announce federal LDCA at the end of the study.

Public Announcements: In order to distribute PD&E phase information, fliers will be made available to organizations such as neighborhood/civic groups, the FDOT, and Polk County, to publish in existing newsletters and websites. Any such correspondence will be coordinated through the District's Communications Office.

Direct Mail List for Public Meetings/Hearings: The following will be contacted by direct mail in order to obtain input throughout the project development process and/or in order to provide project information:

- Those whose property lies, in whole or part, within at least 300 feet on either side of the centerline of each project alternative (Section 339.155, FS), as well as local citizens who may be affected by the construction of this project. This portion of the mailing list will be based on the Polk County Property Appraiser's tax rolls.
- Local elected and appointed public officials or individuals who request to be placed on the mailing list for this project.
- Public and private groups, organization, and agencies, or businesses that request to be placed on the mailing list for this project.

Project Website: In addition to the public workshops, an additional method for public participation in this project will be through a project website. The website will provide current project information to elected officials, agencies, and the public. The website will include a facts page, information about the study such as start date, estimated completion date, a project map, and project manager contact information. The website will also have a description and explanation of PD&E Study process. Project documents will be available for download and a project schedule will be posted. There will also be a Contact Us page for site viewers to email project staff to provide comment(s) on the project or to submit a question. The address for the website is <http://www.swflroads.com/trails/odt>.

Stakeholder Interviews:

The team will identify and interview members of the public who represent essential segments of the community. The results of the interviews will be an integral aspect of the study as the information will assist in formulating the study's goals and objectives, provide ideas and guidance, and advise the study team on issues, concerns, improvement concepts, and other topics within the community.

Additionally, the interviews will be an avenue to identify additional participants for study advisory teams and/or partners within the community. Potential interviewees include:

- Central Florida Regional Planning Council
- 1000 Friends of Florida
- Audubon of Florida, Executive Director
- CSX Transportation
- Defenders of Wildlife, Florida Program Director
- Rails-to-Trails Conservancy, Florida Director
- Sierra Club, Florida Regional Office
- The Nature Conservancy, Florida Chapter
- Lake Eva Community park
- Willowbrook Golf Course
- Polk Area Bicycle Association
- Bike Florida, Inc.
- Florida Bicycle Association
- Florida Trail Association - Heartland Chapter
- Ridge Riders Mountain Bike Association
- The Bike Shop
- Four Lakes Golf Club
- Friends of the Park Foundation
- Lake Henry Estates (Sweetwater East Investment Community)
- Swiss Golf & Tennis Club
- Winter Haven Airport
- UF Citrus Research and Education Center
- Polk County
- Polk Transportation Planning Organization
- City of Auburndale
- City of Lake Alfred
- City of Winter Haven
- City of Haines City

Community Group Meetings:

The team will coordinate with the Cities of Auburndale, Haines City, Lake Alfred, and Winter Haven to identify leaders in the neighborhood communities and will meet with the groups/homeowner associations in similar fashion to the stakeholder interviews. Coordination will take place with neighborhoods such as Lake Henry Estates (Sweetwater East Investment Community).

Public Information Meetings: Public workshops will be one of the most important facets for the project’s success. Because the five alternatives from the Feasibility Study have been narrowed to two alternatives for the PD&E Study, individual mailing lists along the two corridors have been developed. Additionally, project notification for the first public workshop will also be through other means such as press releases, the Florida Administrative Register, newspaper advertisements, website links, and project contact list notifications. A public information meeting in the form of a public workshop for the PD&E phase is tentatively planned for Fall 2020.

Public Hearing: A formal public hearing, as required by federal regulations and state law, will be held.

VII. COORDINATION WITH POLK COUNTY AND THE CITIES OF AUBURNDALE, HAINES CITY, LAKE ALFRED, AND WINTER HAVEN

Regular coordination is planned with all agencies with jurisdictional responsibilities. Included in the coordination are unscheduled meetings, and ongoing discussions with agency representatives. As part of the coordination, copies of maps depicting all alignment and design concepts under consideration, along with draft copies of any engineering and environmental study documentation, will be furnished to the county and city for review and comment prior to the scheduled public hearing.

VIII. PUBLIC HEARING

In compliance with the Project Development and Environment (PD&E) Manual, 23, CFR 771, and Section 339.155, F.S., a public hearing will be held.

Public Hearing Site: The public hearing will be held at an appropriate facility convenient to the study area.

Public Advertisement: An advertisement will appear in the area newspaper with the largest circulation within the area of the recommended alignment (Lakeland Ledger) twice (at least 15 days and no more than 30 days) prior to the public hearing. The advertisements will be sent to the Lakeland Ledger via

e-mail or by registered mail, return receipt requested. In addition, an announcement of the public hearing will be published in the Florida Administrative Register (FAR) at least 7 days prior to the public hearing. The notice will be submitted electronically through the Florida Department of State's e-rulemaking website, www.flrules.org, according to its deadlines.

Letters of Invitation:

Letters will be mailed to all property owners for two corridors as required by Section 339.155, F.S., and emailed to local elected and appointed government officials notifying them of the upcoming public hearing. Notices may be hand-delivered to residences and businesses located directly along the project corridors as deemed necessary by the FDOT.

Hearing Preparation:

Slide presentations and/or video presentations, project corridor aerial maps, graphics, and handouts will be prepared to supplement the oral public hearing presentation.

Transcript:

A verbatim transcript of the public hearing will be compiled to include written comments received at the hearing and written comments received within the established comment period after the hearing. All public hearing documentation (handouts, presentation, graphics, etc.) will be included with the transcript. The transcript will include a script of the recorded presentation, if applicable.

Documents for Public Review:

All draft documents to support the study evaluation will be available for public review at least 21 calendar days prior to the public hearing date. Public notice will be provided in the public hearing advertisement and by mailed invitational letters as to where the study documents are located for public review, including the physical locations as well as on the project website.

Location of Documents for Public Review:

Hard copies of the documents for public review will be located at the:

- Auburndale Library, 100 West Bridgers Avenue, Auburndale, FL 33823
- Lake Alfred Library, 245 N. Seminole Ave., Lake Alfred, FL 33850
- Haines City Library, 111 N 6th Street, Haines City, FL 33844
- FDOT District One Headquarters, 801 N Broadway Ave, Bartow, FL 33830

Electronic versions of the documents will be available at the project website.

Title VI and Related Statutes:

Information about the Title VI Program will be provided in the presentation, by handout, signage, and through availability of personnel, on the Title VI Program and the Relocation Assistance Program.

Americans with Disabilities Act Compliance:

Notification of the Department's intent to comply with the Americans with Disabilities Act will be provided in the public advertisements for the public hearing, in invitational letters to property owners/tenants and local officials, in handouts, and by selection of a public hearing site that meets ADA requirements.

IX. PUBLIC HEARING FOLLOW-UP

The following procedures will occur after the public hearing.

Responses:	Responses to letters received as a result of the hearing and questions and comments not answered at the public hearing will be made in writing.
Recommendation Notice:	A legal notice announcing the Office of Environmental Management's (OEM's) approval of the final document and recommendations will be published in the Lakeland Ledger. In addition, press releases detailing the Department's recommendations will be provided to local media. A final newsletter to property owners, as well as an email to local officials will be sent to announce LDCA.
Public Hearing Transcript Package:	A Transcript Package will be produced and submitted following the public hearing. The Transcript Package will include a verbatim hearing transcript prepared by an approved court reporter, an errata sheet detailing any transcript discrepancies, a copy of correspondence received by the Department as part of the public hearing record, and affidavits of publication for newspaper ads advertising the hearing.
Comments and Coordination Report:	A Comments and Coordination Report will be produced and submitted at the conclusion of the study, containing, at a minimum, documentation regarding public participation performed throughout the study period. This report will include comments and responses received from the public, as well as Advance Notification, coordination with local officials and agencies, and public meetings; the verbatim transcript from the public hearing; proof of publication of ads; sign-in sheets; public hearing certification by the Project Manager (Moderator); and public.

X. PUBLIC INVOLVEMENT DURING DESIGN

To the extent public involvement activities are necessary in the Design phase, the Design Project Manager will be responsible for coordinating any such activities.

APPENDIX B

FEASIBILITY STUDY COMMENTS AND CORRESPONDENCE

**Feasibility Study
Comments - General**

DATE	NAME	ADDRESS	EMAIL	PHONE	COMMENTS	RESPONSE, DATE	MORE INFO
2-May-17	City of Auburndale	PO Box 186, Auburndale, FL 33823		863-965- 5530	SR 544 has lots of activity but would be good. Could connect to Winter Haven Trail Bridge. Connections to parks important. Lake Alfred Road good option. Intersection SR 544 is challenge but may be good when complete street in future.		Stakeholder interview during feasibility study
2-May-17	City of Haines City	620 East Main Street, Haines City, FL 33844		863-421- 3600	Safe routes to schools a priority. Need recreation and mobility options. Trail needs to be farther north to connect with downtown. Economic development should be driving factor		Stakeholder interview during feasibility study
5-May-17	City of Winter Haven	451 Third Street NW, Winter Haven, FL 33881		863-291- 5600	Trails moving from recreation only to mobility uses. SR 544 has redevelopment options and could be good choice. Airport on SR 92 segment and people may like to fly in and rent a bike. SR 544 as a complete street would be good. Users may not like proximity to CSX.		Stakeholder interview during feasibility study

5-May-17	Polk County Tourism & Sports Marketing/ Visit Central Florida	2701 Lake Myrtle Park Road, Auburndale, FL 33823		863-551- 4750	More trails so visitors stay longer. Needs connection to downtown and could be a coast-to-coast offshoot. Trails promote economic development. Airport could be a good feature on trail. Could make US 19/SR 544 loop in future. SR 17 could be more interesting to users. US 27 is busy.		Stakeholder interview during feasibility study
9-May-17	Polk Transportation Planning Organization	330 W. Church Street, Bartow, FL 33830		863-534- 6486	Maintenance concerns with trail. SR 544 could connect or extend existing trails. Need a good connection to downtown.		Stakeholder interview during feasibility study
19-May-17	Bike Florida, Inc.	611 S. Fort Harrison Ave, Ste. 326, Clearwater, FL 33756		727-272- 0015	It is 100% critical to connect to other trails. Users may not like trail next to train unless no other option. Good to have trail next to developments. Maximum offset please. Safe routes to schools are priority. Scenic views are nice. Balance driveway/street crossings with other side of corridor. SR 544 good because it is next to lakes and downtown. Lake Minihaha would be a good feature.		Stakeholder interview during feasibility study

23-May-17	Florida Trail Association, Heartland Chapter			863-605-3587	East-West connectivity is important. Stay off US 27. SR 544 has too much traffic. Users want rural corridors with trees and wildlife. Lighting not necessary because dawn to dusk trails. Could have feeder spurs to residential developments. Supportive of safe routes to schools. Overpasses would be needed at US 27 and US 92/SR 544.		Stakeholder interview during feasibility study
	Winter Haven Municipal Airport	2073 US 92, Winter Haven, FL 33881		863-298-4551	Supportive of trail in front of airport, on south side of corridor. Would be "welcoming." Supportive of safe routes to schools. Avenue T has intense development - schools, homes and businesses. Overpass would be needed at US 27.		Stakeholder interview during feasibility study
23-May-17	The Bike Shop of Winter Haven	249 3rd Street SW, Winter Haven, FL 33880		863-299-9907	Need to be cognizant of loose animals and pets in rural areas. Keep in mind access to amenities and food/drink. Also remember there are various types of users on trails. Driveways and cross streets need to be considered.		Stakeholder interview during feasibility study

6-Dec-17	Vice Mayor Nancy Daley	155 E. Pomelo Street, Lake Alfred, FL 33850	erdiii@aol.com	863-291- 5270	Would like to see segment #6 connected with segment #10, creating a loop via Old Lucerne Park Road and MacKay Blvd. Would connect Chain of Lakes Trail back through Winter Haven or could continue to Haines City. Available to discuss further.	12/6/2017 Email - Brian Bollas to Vice Mayor Nancy Daley: Thanks for attending the meeting and for your comments. We can set up a meeting to discuss the loop.	Follow up to public meeting
14-Dec-17	Beverly Moore		bebomoore@aol.com		Supports Lake Alfred Vice Mayor Daley's loop suggestion. The area has lots of retired people who ride bicycles. She purchased a home specifically for trail access.		Follow up to public meeting
26-Jan-18	Lake Alfred Community Development Director Ameer Bailey	120 E. Pomelo Street, Lake Alfred, FL 33850	abailey@mylakealfred.com	863-291- 5748	Lake Alfred's official route preference is 1,16,2,6,7,10,12 to connect to all three cities using existing trails. From Auburndale to Lake Alfred, segment 2 is most scenic and not adjacent to highway. Safer route for students to Auburndale High. Supports loop.

ENVIRONMENTAL JUSTICE SCREENING REPORT

Location: User-specified polygonal location
 Ring (buffer): 0-miles radius
 Description:

Summary of ACS Estimates		2013 - 2017
Population		231
Population Density (per sq. mile)		613
Minority Population		53
% Minority		23%
Households		104
Housing Units		137
Housing Units Built Before 1950		10
Per Capita Income		20,416
Land Area (sq. miles) (Source: SF1)		0.38
% Land Area		79%
Water Area (sq. miles) (Source: SF1)		0.10
% Water Area		21%

	2013 - 2017 ACS Estimates	Percent	MOE (±)
Population by Race			
Total	231	100%	689
Population Reporting One Race	227	98%	1,631
White	210	91%	509
Black	14	6%	679
American Indian	1	0%	58
Asian	1	0%	89
Pacific Islander	0	0%	13
Some Other Race	1	1%	283
Population Reporting Two or More Races	5	2%	267
Total Hispanic Population	36	16%	565
Total Non-Hispanic Population	195		
White Alone	179	77%	427
Black Alone	13	6%	679
American Indian Alone	1	0%	58
Non-Hispanic Asian Alone	1	0%	89
Pacific Islander Alone	0	0%	13
Other Race Alone	0	0%	22
Two or More Races Alone	2	1%	140
Population by Sex			
Male	118	51%	439
Female	113	49%	488
Population by Age			
Age 0-4	9	4%	181
Age 0-17	38	16%	329
Age 18+	193	84%	397
Age 65+	84	36%	208

Data Note: Detail may not sum to totals due to rounding. Hispanic population can be of any race.

N/A means not available. **Source:** U.S. Census Bureau, American Community Survey (ACS) 2013 - 2017

Location: User-specified polygonal location
 Ring (buffer): 0-miles radius
 Description:

	2013 - 2017 ACS Estimates	Percent	MOE (±)
Population 25+ by Educational Attainment			
Total	180	100%	352
Less than 9th Grade	10	6%	206
9th - 12th Grade, No Diploma	15	8%	175
High School Graduate	81	45%	233
Some College, No Degree	54	30%	206
Associate Degree	19	10%	103
Bachelor's Degree or more	20	11%	142
Population Age 5+ Years by Ability to Speak English			
Total	222	100%	626
Speak only English	193	87%	383
Non-English at Home ¹⁺²⁺³⁺⁴	30	13%	453
¹ Speak English "very well"	15	7%	296
² Speak English "well"	5	2%	139
³ Speak English "not well"	5	2%	129
⁴ Speak English "not at all"	4	2%	240
